## Official Rules and Guidelines for 2017 Get Out n' Ride Event

Any questions or concerns regarding the rules or guidelines for the Get Out n' Ride Event should be forwarded to Dan Karns from Karns Performance. Phone: 717-920-5225 or Email: dkarns@karnsperformance.com

Thank you for your interest in the Central PA Powersports Dealers' (referred to as CPPD herein) 2017 Get Out n' Ride Event! Please review these rules and guidelines carefully. We have implemented certain changes to help manage the calculation of points and to equalize the point structure between participants.

Signup/Registration: Signup is completed at the Kickoff Party at Quaker Steak & Lube in Mechanicsburg on April 1<sup>st</sup> 2017 (you will be awarded 50 bonus points for signing up at the Kickoff party), at any Participating Dealership after April 1st, or at specific events sanctioned by the CPPD. You can sign up at any point during the event. There is no "cut off". (the earlier, the better) YOUR CONTACT INFO MUST BE ACCURATE AND EASY TO READ. (The only means of communication we have for this event is **Facebook & Email**. With only 6% of people who like a Facebook "Page" seeing the content, you should keep checking the page regularly. Your Email must be correct, if it is wrong, you will NOT receive notifications. If your email is not easily read or accurate, the CPPD cannot be held liable for miscommunications.

Participation in the event: The idea is to ride your motorcycle as much as possible and to rekindle that passion you have as a motorcyclist. Doing so by riding to as many "Destinations" on the list as you can, participate in special Get Out n' Ride functions (Poker Run, Dealer Events, etc), and by taking an approved training course. The Event starts on April 1<sup>st</sup> 2017 and finishes on August 31<sup>st</sup> 2017 with an end of season picnic where winners and prizes will be awarded on Sept. 24<sup>th</sup> 2017. (location to be announced).

- **Destinations**: you are encouraged to visit destinations as often as you like, however, points are only awarded for **one** stop at that destination per yearly event. You can go to as many destinations as you want during one ride. That is part of the fun, making routes and navigating them! You are not required to make a purchase at the stop, this event is FREE, but it is encouraged and to see how they got to be a stop on the Get Out n'Ride!
- **Passengers**: are encouraged to ride along, but only the rider can accumulate points and compete in the event.
- **Taking pics**: The picture can be of you and your bike or just your bike. The destination should be noticeable in the pic. (ex: a sign or a visual clue from the destination should show in the pic) and hang your tag!
  - **Hangtag use**: The 2017 Hangtag is very important and must be visible in your pics. (just the color of the tag, the images do not have to be readable) **If the hangtag is not visible, you will not receive your points**. Because of this, it is very important to take care of and not misplace your tag. (Don't forget to remove and stow your tag prior to riding!) If you lose your hangtag, please see a CPPD right away for a replacement.
- **Submitting Pics**: – must be submitted within a week of going to the destination. It is easier to do it at the time you are there, but due to reception and connectivity, that is sometimes not possible. **Here are the 2 ways to submit your pics**:
  - On the Central PA Powersports Dealer's Facebook page: click "share photo"- select photo, after photo appears, click the "pinpoint" icon to check-in at the location (if possible), if that is not possible, type the location in the post, and if you are there with other participants of the event, you need to tag them in it also.
  - Don't have facebook, Email: email pics to [centralpapd@gmail.com](mailto:centralpapd@gmail.com) include the location, and all riders in the group who are participating in the event.
- **Group rides**: are also very encouraged, however when posting pics, to qualify and earn your points, the picture MUST SHOW ALL of the participants or all of their bikes in the photo and they must all be listed (if emailing) or tagged (if posting to Facebook) for each to qualify.
- **Dealer Check-ins**: **Qualifies for 25 Bonus Points** each stop. No purchase necessary can be a business or social visit. They are limited to two check-ins, per dealership, per month. This is a total of 10 check-ins & 250 points per month (combining 2 check-ins per each of the 5 dealerships). **To qualify for "Checking in", you must "sign in" with a staff member at the Parts Counter & take a pic with the official "Check-in" poster.**
- **Dealer events**: to check-in at a qualifying Dealer event (open house, bike night, Dealership ride, etc) you must participate on some level (demo ride, dyno shootout, games, etc) in order to be awarded the bonus points. (no stop & go's) **Qualifies for 50 Bonus points**
- **Dealership Rides**: these qualify as a "Dealership Event" and will receive bonus points. They are handled by each individual dealership and will be announced via Email & Facebook. Remember, you need to keep checking the CPPD Facebook page and your Email. The destination will not be one of the stops on the Destination list. This will keep the scoring open to all and allow for more point gathering. **Qualifies for 50 bonus points**

- **Rider Training Course:** you must submit proof of completion (stop in and show a dealer rep the stamped permit from the MSP course, certificate, or other proof of completion) And must be completed during the event time line of 4/1/17-8/31/17. **Qualifies for 100 Bonus points**
- **Poker Run:** this is a separate event hosted by the CPPD and **Qualifies for 250 Bonus points** if participated in. To participate, a cash or food donation is required. All proceeds benefit the Central Pa Food Bank.
- **4 corners challenge:** To earn the 500 points for riding to the 4 corners of Pennsylvania, you must ride to the towns listed and get a picture of your bike at a sign or post office showing the name of the town that is listed. These rides can be in conjunction with going to other destinations and do not have to be completed all together at the same time. It just needs to be done during the time of the Get Out n' Ride Event. All 4 must be gone to in order to acquire any points. (ex: going to 2 corners will earn 0 points not 250 points)
- **Referring friends:** it is strongly encouraged to get your friends and acquaintances involved with the Get Out n' Ride event. Bonus points are awarded once: you refer a friend, they sign up, and they must accumulate a minimum of 200 points by riding participation (ex: excludes bonus points awarded by signing up other participants). **Qualifies for 100 Bonus Points**
- **High Mileage Challenge:** this is a separate challenge to the Get Out n' Ride event. And will run from April 1<sup>st</sup> until the end of Event picnic on September 24<sup>th</sup>, 2017. If participating, only one motorcycle's mileage will qualify, (ex: if a participant owns more than 1 bike, he/she must select which one they will use for this challenge). The starting mileage must be logged on the initial signup sheet by a participating CPPD staff member. If the motorcycle is not present upon signing up, the mileage must be logged at the first Dealership "check-in" by a dealership staff member. The final mileage readings for this will be taken at the Get Out n' Ride End of Season Picnic and must be attended by the participants of the challenge. If a new motorcycle is purchased during the season, the ending mileage must be logged from the original motorcycle prior to new ownership, and the new motorcycle must have mileage logged upon purchase. Both of these readings must be done at a participating CPPD by a staff member. Then the mileage can be tallied together and included in the mileage ridden on the replacement motorcycle.
- **In the event of a tie:** (for whichever place there needs to be a tie broken), we will pull the time and date of when the participants registered for the Get Out n' Ride Event. The participant who registered first (of those in the tie) will break and will be placed ahead of those whom registered later.
- **Featured stops:** these are regular stops that chose to support the Get Out n' Ride event in some way and are awarded extra notoriety as being "featured" to thank them and as a result, you get awarded bonus points for stopping at those locations. **3 times the regular point value for those locations**

The CPPD's Get Out n' Ride event is not a "timed racing event" there is no benefit or reason to break any traffic laws in order to compete in the event. The CPPD group and the individual dealers cannot be held liable for any accidents or citations that may have accumulated while partaking in the event. The risk of riding is solely put on the operator of their own motorcycle.

#### POINT TABULATION
